

Orange County Traffic Officers Association *Est. 1979*

Dear Law Enforcement Supporter,

On Wednesday, September 12th, 2018 the Orange County Traffic Officer's Association will be hosting its 46th Annual Police Motorcycle Training and Skills Competition. This event is a venue for friendly competition, training, networking and exchange of ideas.

Past events have drawn hundreds law enforcement riders as well as several hundred spectators. Among these were the motor officer's, supervisors and law enforcement managers who use or approve the purchase of the products and services your company provides. This year's event promises to be even better!

We would like to invite you to participate as a vendor at this year's event. For your minimum donation of \$500 we will provide your organization with a 10' x 10' space as well as:

- A prime venue and location to showcase your company's law enforcement or motorcycle related products and services.
- An opportunity to connect with the officers, supervisors and law enforcement managers who advise on and make purchasing decisions.
- An opportunity to support the O.C.T.O.A.'s mission of helping law enforcement officers who are injured or killed in the line of duty and their families.

Many of our exhibitors have participated year after year. They overwhelmingly agree that their experience has been positive. The relationships they have built and the results they have recognized for their companies have made their attendance a valuable piece of their marketing strategy.

The Orange County Traffic Officers Association is a 501(c) (3) organization and your donation may be tax deductible (**Tax ID #03-0397378**).

Please see the attached exhibitor application and event flyer. For additional information, please contact Chris Ostrowski of the Irvine Police Department at Costrowski@cityofirvine.org

Sincerely,

Chris Ostrowski

O.C.T.O.A.
