## RAFFLE INFORMATION

### Raffle for 2018

For the raffle, you can decide to donate a raffle prize/s. In doing this, it can increase the attendance, and give all the competitors another reason to visit your booth. When competitors visit your booth, advise them they can have a chance to win your raffle prize. I believe this will help raise your attendance level and exposure of your product line at the event. This is not a requirement to be a vendor. All proceeds will go towards the fallen officer's families.

If you decide to participate in the raffle, please disclose what item/s you will donate.
