15744 Golden West Street, Huntington Beach CA

RADAR OPERATOR #3670-23300-18-002
LASER OPERATOR #3670-23320-18-002

POST Certified

The class consists of 32 hours of P.O.S.T. instruction:
24 hours of Radar and 8 hours of Laser

Date:	May 15, 16 and 17,	2018	Tue/Wed/Thurs	Radar	(24 hrs.)
	May 18,	2018	Friday	Laser	(8 hrs.)

Class Location: Irvine Police Department located at 1 Civic Center Plaza, Irvine, CA.

Time: **0700-1600**

Approximate Cost:	Radar class	$120	payable to Golden West
	Laser class	$40	payable to Golden West
►*Separate payment*→	Textbook	$25	check/cash payable to Steve Chauncey

All fees are payable in class on first day or prior arrangements can be made with Carolyn Amador at Golden West College (714) 895-8372

Class Focus: The class will cover traffic safety, case law, traffic and engineering surveys, set-up, test and operation of stationary and moving radar as well as laser. You will conduct field experiments and become certified in visual speed estimations. Courtroom prep and testimony, radar and laser jammers, and proper deployment for radar and laser will also be taught. The course uses the nationally recognized textbook "Understanding Police Traffic Radar and Laser" plus information specific to use in California.

Important: Please bring with you the following items -

1. *Vehicle Code, and something to write with*
2. *A copy of your Agency's Traffic and Engineering Survey. (Your Traffic Division can assist you with this)*
3. *Department issued Radar and/or Laser device, along with the manual for the device*

Enroll NOW! Space is Limited. If your agency has a need to have officers P.O.S.T. certified in radar and/or laser, please sign up as soon as possible. Upon registering, a training brochure with all of the information, maps and necessary equipment will be forwarded to you.
